Dear Mr. Hardman:

RE: Time Extension Request, Response to Division LMO Review, Pelican Point Quarry, M/049/011, Utah County, Utah

The Division has received Macey Buker's June 15, 1998 letter in which he requested a time extension until June 30, 1998 for submittal of your response to our April 3, 1998 review of your Large Mining permit application. As you know, we had requested a response no later than May 4, 1998. We understand that your consultant has not been able to meet this deadline due to other time commitments. By way of this letter, the Division approves of the time extension request. We look forward to receiving your response on or before June 30, 1998.

Thank you for keeping us posted on the status of your response.

Sincerely,

A handwritten signature in cursive script that reads "D. Wayne Hedberg".
